

Purpose: To provide support for downloading forms from LSERS.net.

1. Go to the [Forms Page](#) on LSERS.net.
2. Find and click on the link to the form you want to download

3. At the top right corner of the page, there will be a set of buttons, one of which will allow you to save the file to your machine. Click the print button according to the following browsers:

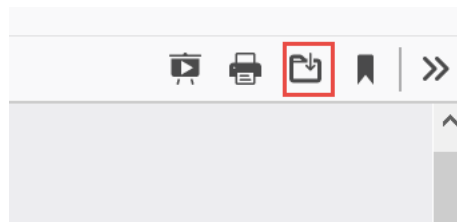

Chrome

Edge

Firefox

4. After clicking that button, you can open the file from your machine with your program of choice. We recommend Adobe Acrobat, which you can download [here](#).
